

SENIOR ANIMAL ADOPTION DAYS

Every Wednesday at MCHS

Animals have much to offer and make some of the best companions. That is why MCHS believes that just as animals of all ages and abilities should have loving companion, so should people. To help make this a reality, MCHS Senior Days are every Wednesday. Adopters over 65 years of age, who cannot afford the full fee, will receive a **50%** discount on senior dogs. Senior cats will be discounted to **\$50**.

Help brighten the lives of our community's seniors and animals that are waiting for homes.
